

Welcome!

We are so proud of how all the children have settled so well and how they have fully immersed themselves in EYFS life! It was so lovely to catch up with you all at parents evening to celebrate the children's first half term at school.

Phonics

The children have been working so hard learning their phonics sounds. They have learnt one single sound a day and have been applying it during their child initiated adventure time!

The children will be bringing home books soon so please make sure you read these at least 3 times every week! Please ensure you **write in your child's reading record every time they read.**

Important

Please ensure all of your child's belongings are clearly named. We have lots of unnamed belongings waiting to be claimed. When belongings are named, it makes it much easier for your child to collect all their items at the end of the day, promoting their independence. Thank you.

Maths

This half term in Maths we will be exploring patterns, introducing addition and subtraction (to 5), one more and one less and will be going back over writing the digits 0-9.

Nativity

The EYFS children will be starring in a nativity that you will be invited to come and watch. The nativity will take place during December and the children will be learning songs after half term! Please keep an eye out for speaking parts in book bags. More information to follow!

PE

This half term we will be exploring balancing and different ways of moving our bodies.

We will also be practising ball skills.

Livingstone Life!

EYFS

Design Technology

We will be learning about Junk Modelling this half term. We will look at selecting shapes that are appropriate, how we can join objects—using scissors, cello tape, glue, masking tape etc.

We would be really grateful for you saving all your recycling and bringing it in for us!

Science and Humanities

Now that we are heading into autumn we will be exploring how the season is changing.

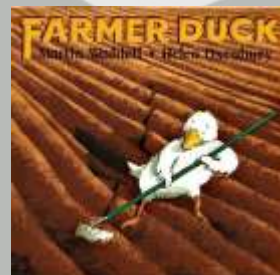

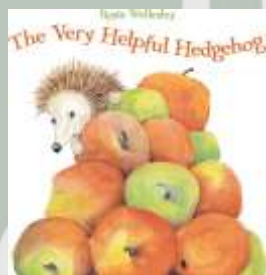

We are planning on going on an autumn walk in which we will collect autumn treasures and make a map of our adventure.

Please do let us know if you would like to volunteer to come with us.

Favourite 5 Key Texts

These are the key texts we will be reading this half term.
